Massachusetts Mutual Life Insurance Company 1295 State Street, Springfield

SERVING SPRINGFIELD AND THE NATION FOR OVER 118 YEARS

OVER $16.6 BILLION
INSURANCE IN FORCE

Of more than 1,700 life insurance companies in the United States, Mass Mutual is listed in the top 1% in total dollars of insurance in force. The first billion was reached in 1923, 72 years after the company was founded. The gain in 1968 alone was nearly $1.5 billion. The company serves over 750,000 individual policyholders and more than one million persons who are protected by group coverage.

OVER $3.9 BILLION
IN TOTAL ASSETS

Since its founding in 1851, Mass Mutual has experienced constant growth in assets, ranking now as the tenth largest life insurance company in the United States and Canada. It is a mutual company, owned by and operated for the benefit of its policyholders. All income over and above costs of doing business and maintaining adequate reserves and a reasonable surplus is returned to policyholders in the form of annual dividends.
